

Get Ready to

Beautify Riverside!

Have you ever wanted to:

- increase the value of your property?
- help clean the air your family breathes?
- provide homes for birds and butterflies?
- encourage a more friendly community?
- create something beautiful that will last?

NOW You Can!

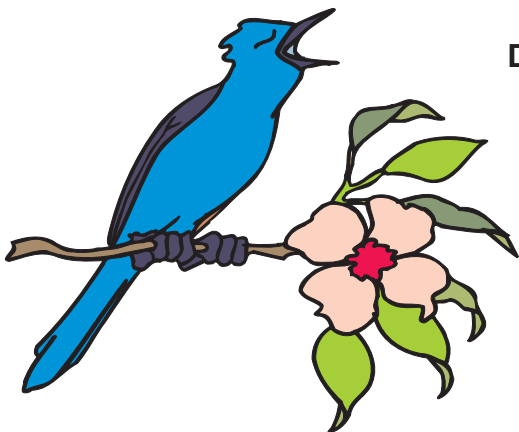

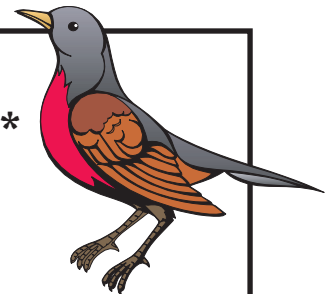

Join some Riverside neighbors as we transform an unkempt grassy area along two blocks of Harrison Avenue into a beautiful tree-lined street ~ all in one day!! This is part of our Noise to Nature grant from the City. We're working with neighbors to landscape the residential side of many noise wall areas in the Riverside Neighborhood. We'll be planting trees, shrubs and vines, and adding compost and mulch to protect the plants while they grow.

When: Saturday, March 28, 9am - 2:30pm

FREE lunch provided for all volunteers!*

Where: 23rd Street & Harrison Ave

***Please RSVP:** to Katrina at 425-258-1126, so we have enough lunches for everyone!

Details, details, details . . .

- *Please wear sturdy shoes or boots.
- *Tools and gloves will be provided, but feel free to bring your own if you have 'em.
- *Coffee, water and morning snacks will also be available.

**This Amazing event will happen,
rain or shine.
Come check it out!**
